Trisha Travels, Travel Zine

Bite sized travel Zine
with highlights from
my blog Trisha
Travels.

I'm 31, or I will be on
May 11. I love to
travel. I have autism
and I'm far from
wealthy.

Both of those factors
influence my travel,
how where, and when I
travel but they do not
stop me from traveling,
or from making every
trip memorable.

Created in 2025.
Trisha Travels.
